

Windy City Miata Club

**A party that
has been 25 years in
the making!**

June 5-7 2015 Pheasant Run Resort St. Charles IL

Windy City Miata Club is pleased to present a 25th anniversary event to celebrate our favorite sports car and the club dedicated to it.

Windy City Miata Club has over 300 members and over 200 Miatas, making it one of the largest Miata clubs in the country, and we are passionate about the Miata.

Come join us from near and far for a weekend to celebrate all that is great within the Miata community with old friends and new.

The weekend will start on Friday June 5, 2015 at Pheasant Run Country Club in St Charles, IL. Pheasant Run is a resort with indoor/outdoor pool, bars and restaurants, an indoor Bourbon Street, golf, tennis courts, and more!

Come early before registration for a round of golf (optional).

Before leaving for dinner we will have a meet and greet/ welcome reception.

We will take a short drive to dinner. Dinner will be buffet style (cash bar) with activities such as volleyball, horseshoes, bags, wiffleball, and bocce ball.

Saturday morning breakfast will be on your own, Pheasant Run has various options to choose from or other local restaurants. We will enjoy a group drive having fun in our favorite little cars, followed by lunch out on the road as a group.

We will make our way back to the resort to relax and shine our cars for a car show.

Our dinner Saturday night will be at the resort. Raffle prizes valued at over \$2,000.00 will be given away; along with our 50/ 25-25 cash raffle will be drawn at Saturday night dinner. 50% will go to the Northern IL food bank and the other 50% will be split between 2 winners! Car show awards will also be given away. A live band will be performing for your entertainment.

Sunday, grab a cup of coffee and head out to our Miata parking lot. We will have the Miata version of "Cars and Coffee."

We will then make our way to Autobahn Country Club for a day at the track. Autobahn Country Club is a private race track that contains a clubhouse, two racetracks, and a karting track all in one location. We will be enjoying time on the track having a spirited track tour in our Miatas. After all are they not the greatest little sports car ever! No helmets are required for this event, and you can have a passenger riding along with you.

There will be many cars at the track that day. Lunch will be catered at the track, so grab a bite to eat and have fun watching all the excitement on the track.

WCMC hopes that you will join us in this weekend long celebration of 25 wonderful years of the Mazda Miata and the Windy City Miata Club.
