BFGoodrich® g-Force™ Rival™ Visible Tread Splice

The BFGoodrich® g-Force™ Rival™ tire line has been developed for competition and extreme performance applications. As a result, the tire will likely see significant shearing forces which may result in the appearance of a visible tread splice (see below):

A visible tread splice is cosmetic in nature and will not impact tire safety or handling performance.

If you have any concerns or would like any additional information, please contact Customer Care at 1-866-866-6605.
